11. (Unclassified - JMM) Per the Director's instructions, called Mrs. Sheer, in the office of Senator Jacob K. Javits, and explained that we could not respond to her request for a copy of the Director's Hot Springs talk to the Business Council because it was strictly unofficial and off-the-record. I said in fact the only salient points were those already noted, reasonably accurately, in the press, and the bulk of the talk was merely an historical review of how some of the issues of today had developed over the years. She said she would report this to the Senator.

12.(Confidential - JGO) The transcript of the Director's testimony before the Senate Foreign Relations Subcommittee on International Organization and Disarmament Affairs of 23 April was forwarded to the Committee for their use and was returned at the end of the day. Later in the afternoon Mrs. McLaughlin called and requested that the transcript be returned tomorrow, 13 May, for Committee use.

25X6 13. (Secret - JGO) Met with J. R. Blandford, Chief Counsel, House Armed Services Committee, in response to his request and briefed him on certain [REDACTED] systems. I also briefed Mr. Blandford on the Soviet SL-12 booster, Soviet consideration of the Non-Proliferation Treaty, General Yepishev's article in Kommunist and recent deaths of Soviet general officers.

14. (Secret - JGO) Met with Mr. Wilson, House Science and Astro-nautical Committee, and briefed him on the SL-12 booster.

25X6 15. (Secret - JGO) Met with Mr. Robert Michaels, on the staff of the House Appropriations Committee, and delivered to him two copies of the budget book. Mr. Michaels indicated that he and Representative Glenard Lipscomb (R., Calif.) hoped to put as much time as possible on the book before the next Subcommittee meeting with the Director. I also briefed Mr. Michaels [REDACTED] Soviet SL-12 booster, Soviet consideration of the Non-Proliferation Treaty, General Yepishev's article in Kommunist, and recent deaths of Soviet general officers.
